

## Fuse Carriage with Handle for OGN

Plugging aid

2.5W/10A

See below:

[Approvals and Compliances](#)

### Description

- Better access to fuse-links on PCB's

### Applications

- Printed circuit boards with tightly packed components. Colour coding allows for quick and safe replacement of fuses.

### Technical Data

|                            |                                      |
|----------------------------|--------------------------------------|
| Fuse-Link                  | 5 x 20 mm                            |
| Rated Power Acceptance IEC | 2.5W / 10A @ Ta 23 °C                |
| Admissible Ambient Temp.   | -40 °C to 85 °C                      |
| Material: Cover            | Thermoplastic black / white UL 94V-0 |
| Storage Conditions         | 0 °C to 60 °C, max. 70% r.h.         |

### Approvals and Compliances

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in [Details about Approvals](#)

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.

### Application standards

Application standards where the product can be used

| Organization                                                                        | Design                         | Standard       | Description                                                                                   |
|-------------------------------------------------------------------------------------|--------------------------------|----------------|-----------------------------------------------------------------------------------------------|
|  | Suitable for applications acc. | IEC/UL 62368-1 | Audio/video, information and communication technology equipment - Part 1: Safety requirements |

### Compliances

The product complies with following Guide Lines

| Identification                                                                      | Details    | Initiator   | Description                                                                                                                                                             |
|-------------------------------------------------------------------------------------|------------|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | RoHS       | SCHURTER AG | Directive RoHS 2011/65/EU, Amendment (EU) 2015/863                                                                                                                      |
|  | China RoHS | SCHURTER AG | The law SJ / T 11363-2006 (China RoHS) has been in force since 1 March 2007. It is similar to the EU directive RoHS.                                                    |
|  | REACH      | SCHURTER AG | On 1 June 2007, Regulation (EC) No 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals 1 (abbreviated as "REACH") entered into force. |

| Accessories | Description | Color | Order Number |
|-------------|-------------|-------|--------------|
| Pluggin aid | -           | black | 0853.1201    |
| Pluggin aid | -           | white | 0853.1202    |
