Switch for Public Transport Systems

PTS, Actuator symbol: close

See below:

Approvals and Compliances

Description

- Momentary switch available in version Standard or as custom specific
- Assembly by screws with nuts
- Four-conductor cable, optional male tabs on housing

Characteristics

- Illumination housing and actuator made of plastic material, cover plate made of aluminium
- Variable color design of the bezel and the cover plate, customer specific laser lettering
- high lifetime with 10 million actuations
- Excellent tactile feeling
- Illumination for switching status recognition (Viewing angle 180°)
- Low mounting depth with angled cable version

Alternative

Last order date: 30.03.2025 Last delivery date: 30.06.2025

Lifetime > 10 million actuations	Mounting screw torque	
	Lifetime	> 10 million actuations

Climatical Data	
Operating Temperature	-40 to +85°C
IP-Protection	IP67 Front Side, , IP65 Rear Side
Other Data	
Fixing Screws	3*M4
Cable Cross Section	4*0.5 mm ²
Weight	appr. 85 g
Material	
Illumination Housing	PC
Actuator	PC / ABS
Bezel	PBT
Symbols	PC / ABS
Cover of Actuator	Aluminium anodized
Seal Ring	NBR70

Approvals and Compliances

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in Details about Approvals

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.

Application standards

Application standards where the product can be used

Organization	Design	Standard	Description	
(0)	Suitable for applications acc.	EMC Directive:	DIN 55011/55022/50121-3-2/61000-4-3	
<u>IEC</u>	Suitable for applications acc.	IEC/UL 62368-1	Audio/video, information and communication 1: Safety requirements	on technology equipment - Part

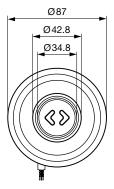

Compliances

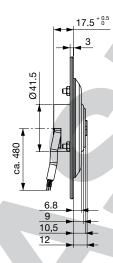

The product complies with following Guide Lines

Identification	Details	Initiator	Description
RoHS	RoHS	SCHURTER AG	Directive RoHS 2011/65/EU, Amendment (EU) 2015/863
REACH	REACH	SCHURTER AG	On 1 June 2007, Regulation (EC) No 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals 1 (abbreviated as "REACH") entered into force.

Dimension [mm]

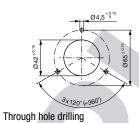

PTS version with angled cable Other form of cable outlet on request

Assembly Instructions

Assembly

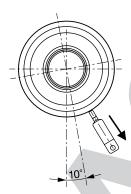

Insert bezel in open area

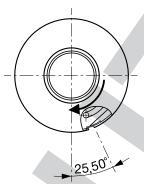

Disassembly

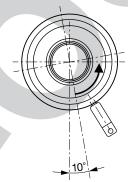

Insert disassembly tool

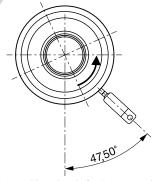

Pull disassembly tool

Turn the bezel in clockwise direction until it snaps

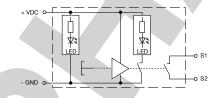

Turn the bezel with disassembly tool 10° counterclockwise

Turn the bezel with disassembly tool again for 15° counterclockwise and remove the bezel
